**Re: New Squad and Session Arrangements**

Letters regarding squad assignments and session times which will apply from our move into the new Basildon Sporting village pool were sent out via post on 24th March to all those members that we had current details for on the membership list.

If you have received a letter can you please return the reply slip ASAP to the club desk on Monday or Friday evening, or if that is not possible in an envelope addressed to your teacher/coach or to the address on the letter. The deadline for returns is Friday 15<sup>th</sup> April.

If you have not received a letter for yourself and/or your child this may be either because we do not have your current address details, or due to an omission in creating the lists. In this case can you a) speak to your current coach/teacher or b) hand your details into the club desk together with the swimmer's name and address so we can look into it.

If you have any questions about the new arrangements feel free to raise these with the coaching staff or at the club desk. If the team are unable to answer them they will attempt to refer them to the correct person. If all else fails you can send questions via email to [coach@phoenixbasildonsc.org](mailto:coach@phoenixbasildonsc.org).

The last sessions to be run at the existing Gloucester Park pool will be on the morning of 22nd April. There will be no evening or weekend sessions due to the public holiday and the Gloucester Park pool is then closed.

The first session in the new Sporting Village pool will be on Tuesday 3rd May. Note: The evening session at Pitsea on Wednesday 27th April will go ahead as normal but there will be no Wickford session on Friday 29th April (public holiday).

All members are encouraged to apply for an EveryoneActive membership card to secure entry for the Sporting Village Opening day on 30th April and also so that you will be able to enter the facility to swim or collect children after it opens. Forms for these are available at the club desk on Friday and Monday evenings.
