

PHOENIX S.C. (BASILDON)

NEWSLETTER – JULY 2008

ANNUAL CLUB CHAMPIONSHIPS

This was a resounding success with more swimmers taking part than in many previous years. An electric atmosphere on both days spurred all the swimmers on to produce some fantastic swims and in total some 23 new Club Championship Records were set, that ranged from Mini-Phoenix all the way up to our most senior 17 years and over swimmers. The Club Champions result has been it's closest since our Championship's conception. The boys saw no less than 4 individuals tying on points, the final result coming down to the breaking of records. Henry Wood came out on top by claiming 3 new records to Marc Butcher and Harvey Brown's 2. Well done Henry.

The girls was just as close with Kathryn Pearse and Ashleigh Hales tied on points. It came down to the fact that Kathryn broke more records and was the fastest swimmer in all girls events that finally clinched the title. Well done Kathryn.

We look forward to another spectacular event next year. Our thanks go to all those that provided assistance before, during the nights and after these championships to make them a success, and the following who were not mentioned in the programme:

Mark Brown – Programme Production

Adam Puddick – Whip & Stroke Judge

Jonathan Byfield – Timekeeper

Adam Young – Sports Photographer
